

For the Removal and Permanent Cure of all NERVOUS DISEASES,
And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the age.

Dr. CHRISTIE'S GALVANIC BELT and MAGNETIC FLUID,
is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,
Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and LALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, CUTS and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE OF THE SPINE, HIP COMPLAINT, and DISEASES OF THE KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely

A Derangement of the Nervous System.
In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Curatives, consists in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging, and physicking the patient, till exhausts the Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction into the United States, only one case has been known to fail.

60,000 Persons
including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,
when all hope of relief had been given up, and every thing else had been tried in vain.

To illustrate the use of the GALVANIC BELT, suppose the case of a young lady, who had been afflicted with DYSPEPSIA, or any other Chronic or Nervous Disorder, in ordinary cases, stimulants are taken, which by their action on the nerves and muscular system, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT, which causes a DYSPEPSIA, even in the worst symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insupportable paroxysms will be relieved, and the patient will be enabled to resume her ordinary avocations, and the DYSPEPSIA IS PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS
Of the most Undoubted Character,
From all parts of the Country can be given, sufficient to fill every column in this paper:

AN EXTRAORDINARY CASE,

CURE OF RHEUMATISM, BRONCHITIS AND DYSPEPSIA.
Rev. Dr. Landis, a Clergyman
of New Jersey, writes, "I distinguish and exalted reputation—"
SINCE, New Jersey, July 12, 1848.

Dr. A. H. CHASE writes—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure to the weather in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for years has been a source of great suffering. Further, during the winter of '46 and '47, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was now thoroughly prostrated, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatism affliction—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopoeia there seemed to be no remedial agent which could reach and recuperate my Nervous System; every thing that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. TO MY GREAT AMAZEMENT, IN TWO DAYS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS; AND IN FOUR WEEKS MY RHEUMATIC AFFECTION HAD ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy result of the experiment.

I have recommended your GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID, to many who have been likewise suffering from Dyspepsia, and they have been tried, with happy results, I believe, in every case.

I am, dear Sir, very respectfully yours,
ROBERT W. LANDIS.

The Doloreux and Neuralgia.
These dreadful and agonizing complaints are immediately relieved by the application of the GALVANIC BELT, NECKLACE and FLUID. The Belt diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected nerves. In these distressing affections the application NEVER FAILS.

FITS AND CONVULSIONS.
These alarming and terrible complaints are always caused by a derangement of the Nerves. The Belt, BRACELETS and FLUID will cure nearly every case, no matter how young or old the patient, or how confirmed the complaint. Numerous and astonishing proofs are in possession of the proprietor.

Many hundred certificates from all parts of the country of the most extraordinary cures attended the use of DR. CHRISTIE'S GALVANIC BELT AND NECKLACE, and they may be worn by the most feeble and delicate with perfect ease and safety. In many cases the sensation attending their use is highly pleasant and agreeable. They can be sent to any part of the country.

The Faculties, for intellectual attainments, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The medical faculty constitutes an anomaly in this or any other country—all of them are able lecturers and the best of teachers.

Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eligibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that ANY OTHER CITY HAS MORE.

A common error exists in the minds of many students relative to the place of studying medicine; those who intend practicing among the diseases of the West and South should certainly educate themselves at a school whose faculty are practically acquainted with those diseases.

That the public may be satisfied of the permanency of this school, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action, which augurs well for its future success; and that the peculiar internal organization which unites them, cannot be interrupted.

ACCOMPANIED with a small pamphlet, containing full directions, useful hints, information and advice to females from youth or puberty to old age.

Nature will be much assisted by their use, in mitigation of certain periods, or where there is irregularity, suppression or absence of the natural changes, and will relieve the suffering, pain and distress common to many at those periods. There are other times, also, when the married and single will find them useful.

Mothers do not mistake the ailings of your daughters; when afflicted with Head-ache, Dizziness, Fainting, Loss of Appetite, Sickness of the Stomach, Pains in the Sides or Breasts, Pains along the Back, Spine or across the Loins, Hysterical or Nervous feeling, Depression or Lowness of the Spirits, Melancholy Dislike to exercise and society, Palpitation of Heart, Bleeding at the nose &c. Too often are medicines given them for Liver complaints, Dyspepsia, Consumption, &c., when the real cause is not suspected; and through improper medicines and treatment their constitutions are destroyed; and their constitutions are destroyed, and they become miserable during life.

Thousands of Females in Philadelphia, New York, Boston, Baltimore and elsewhere know the efficacy of those Pills, and many could be referred to, but delicacy and respect to the sex forbids it. Kidneys,
AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, inward Piles, fulness or Blood to the Head, acidity of the Stomach, Nausea, Heartburn, indigestion, Food, flatulency or water in the Stomach, sour eructations, sinking or fluttering at the Pit of the Stomach, swimming of the Head, hurried and difficult Breathing, fluttering at the Heart, choking or suffocating sensations when in a lying Posture, dimness of vision, dots or webs before the Sight, Fever and dull pain in the head, deficiency of Perspiration, yellowness of the skin and eyes, pain in the side, back chest and limbs, sudden flushes of the Heart, burning in the face, insinuating of evil and great depression of spirits, CAN BE EFFECTUALLY CURED BY

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, it equaled, by any other preparation in the United States as the cures attest, in many cases after skillful physicians, had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lower glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without safe, certain and pleasant.

READ AND BE CONVINCED.
Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said—
"My wife and myself have received more benefit from your medicine than any other we have ever taken for the Dyspepsia and Liver disease."
"The 'True Legion,' published at Woodstock, Va., Jan. 10, 1850, said—

"A GREAT MEDICINE"
"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Dr. Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Brabill, of this country, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters and after using it, was so much relieved of his distressing malady that he procured another bottle, and is restored entirely to health.

READ FURTHER A FEW FACTS.
The "Philadelphia Democrat," a leading German journal of Philadelphia. The editor said, Nov. 24th—
"We again call attention to the principal depot for the sale of Dr. Hoofland's German Bitters, from 278 Race to 120 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a larger store. We wish his success in his new quarters; he is deserving of it. The Bitters Mixture of the Liver and Bile, a stubborn case of Chronic Diarrhoea has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these bitters, and a few bottles of them have entirely cured him. Many such cases we could refer to. We hope our readers will consider this great restorative, should they be so unfortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with this care. Those purchasing should call at his store, or see that his name is written upon the wrapper outside, and blown in the bottle, as imitations of all good articles are common among gentlemen with great scientific and literary attainments, said in his "New York Weekly Messenger," Jan. 6, 1850.

"Dr. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most excellent of our modern physicians, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. It is especially recommended in liver complaint, dyspepsia, nervous debility, vertigo, acidity of the stomach, constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances we feel warranted not only in calling the attention of our readers to its present preparation (Dr. C. M. Jackson's) but in recommending the article to all afflicted."

MORE EVIDENCE.
The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of
HOOFLAND'S GERMAN BITTERS.
"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are in vogue about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of its use in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will stand with their quiet approval when presented even in this form.

This medicine will cure liver complaint and dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate.—They can be administered to female or infant with safety and reliable benefit, at any time.

Beware of Counterfeits.
This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.
They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

THE GREAT REMEDY.
For Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints, Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints and all Fixed Pains whatever. Where this Plaster is applied, Pain cannot exist.

THESE PLASTERS possess the advantage of being put up in eight boxes—hence they retain their full virtue in all climates.

HAVE YOU FRIENDS GOING TO CALIFORNIA?
By all means advise them to take along a supply of this plaster, it may save them hundreds of dollars, if not their lives, as the exposures which they have to endure in the west are sure to bring on diseases, which might be easily cured by the use of this celebrated plaster, for the want of which many have been obliged to quit their labor and fall into the hands of the physicians, who, by their extravagantly high charges soon take away the hard earnings of the bravest laboring man. By sleeping in tents or on the ground, Rheumatism, Spinal Disease, Stiff Joints, Lame Back or Side, and all like diseases are sure to trouble them, and many times entirely lay them up, when the simple application of this plaster would give them immediate relief, and enable them to proceed with their labors without delay.

It has been very beneficial in cases of weakness, such as Pain and Weakness in the Stomach, Weak Limbs, Affections of the Spine, Female Weakness, &c. No female, subject to pain and weakness in the back or side, should be without it. Married ladies, in delicate situations, find great relief from constantly wearing this Plaster. The application of the Plaster by women the shoulders, has been found a certain remedy for Colds, Coughs, Plethoric and Lung Affections, in their primary stages. It destroys inflammation by perspiration.

Mothers, Read This Attentively.
DR. KEELER'S CORDIAL AND CARMINATIVE.

For the speedy and permanent cure of Diarrhoea, Dysentery, Cholera Infantum, Cholera Morbus, Cholera, Summer Complaints, Flatulency Pains in the Stomach, &c. and from all derangement of stomach and bowels from Teething.

The time has again arrived when diseases of the stomach and bowels carries its thousands to a premature grave. Is there no remedy to stay the march of death? We answer, YES—the Cordial will cure and prevent nine-tenths of all cases of disease affecting these organs. More than five thousand cases of disease were cured by it during the past year. All families consulting the welfare of their children and selves, will act wisely to have this article by them. In all cases of failure the money will cheerfully be returned, and to those who are unable to purchase, it will be cheerfully bestowed.

WHAT WILL BE CURED, THE WORST FORMS OF DISEASE OF THE STOMACH AND BOWELS READ THE FOLLOWING EVIDENCES From the Spirit of the Times.

Dr. Keeler's Cordial and Carminative, is certainly a valuable desideratum in every family, to the young and to adult, but particularly where there are children. We speak advisedly, because we have thoroughly tried it, and proved its healing and efficacious properties in our family. We would most cordially recommend the public to give it a fair trial, which is only wanting to appreciate its value.

From the North American and United States Gazette, Sept. 14, 1847.

In these days, abounding in fruit, it behoves every one to be prepared with a remedy for the evil effects which it sometimes produces—we have been aided by those that knew and who have tried it—that Keeler's Cordial is an article which has been tried in some of the severest cases of Summer Complaint, both in infants and grown persons. The Cordial can be procured at the corner of Third and South Streets.

From Neal's Saturday Gazette August 28th, 1847.

Dr. Keeler's Cordial.—We would call the attention of our readers to this invaluable medicine, which will be found advertised at length in our columns. As a corrective in cases of Diarrhoea, a disease very prevalent at the present time, it is highly spoken of by all who have used it. It is perfectly safe in its nature, and we speak experimentally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sept. 1st, 1847.

Dr. Keeler's Cordial and Carminative.—This article is advertised in another part of our paper, it is warmly recommended by families who have tried it. It is especially useful among children, and has effected hundreds of cures. The doctor is abundantly supplied with testimony upon the subject, and which we have no space to transcribe. The Cordial is not a quack nostrum, but a carefully prepared medicine, and perfectly free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th, 1847.

We are constrained to say that the "Carminative" of Dr. Keeler's now extensively used in this City, is rapidly making its way to public favor. Its ingredients are of course unknown, but it is mild in its operation, pleasant to the taste, and a remedy quite as good as any now used for the same complaint.

From the Daily News, July 15th, 1850.

Summer Complaint.—The season when this complaint exists is now here. If persons having it in their families would only purchase a bottle of Dr. Keeler's Carminative Cordial, they would save much expense and trouble. We speak of the virtues of this medicine knowingly.

From the Spirit of the Times, Kutztown, July 18, 1848.

We wish to direct the attention of the readers of this paper to Dr. Keeler's cordial and Carminative, advertised in another column. It is a medicine highly esteemed by every one that has used it in Diarrhoea, Dysentery, Cholera infantum, &c. which in this season is so frequent. It is a perfect innocent medicine and gives immediate relief
